	Damp/wet organic and food waste		General waste
	Paper, cardboard, carton beakers		Plastic packaging

Hazardous and small electronic waste (red box)

### Return stations are to be found at the following places

- *Glass and metal packaging:* Gvarv station, Hjuksebø on entrance road to main road, Hørte market square, Nordagutu near Slaaen shop, Ryntveit by entrance to SRG.
- *Textiles and shoes (Fretex):* Gvarv station, Ryntveit Recycle Centre.

### Ryntveit Recycling Centre, Nordagutuvegen 145, Akkerhaugen.

- Recycling Centre is open on weekdays from 07.30 to 15.30.
- Late open on every Tuesday until 18.30 from the first Tuesday after Easter until the end of October.
- Materials and waste must have been sorted.

### Positioning of waste bin

- On collection day before kl. 06.00 the bin should be placed by the roadside where the collection lorry usually drives
- The back of the bin should be against the wall. Waste should have been sorted and remember that the lid must be in place.
- Remember to clear away ice and snow and to spread sand if it is slippery.

### Sacks and biobags (degradable)

- Plastic sacks and biobags will be distributed in week 39. This will be announced in Telen beforehand.
- If you need extra sacks for general waste you must use blue sacks marked IRMAT. These can be bought at Sunde Renovasjon og Gjenvinning, Akkerhaugen.
- Extra biobags can be bought at Sunde Renovasjon og Gjenvinning.
- Extra sacks for plastic packaging waste are available free from Sunde Renovasjon og Gjenvinning.

### Types of collection tariffs

Sauherad kommune offers different types of tariff and combinations of these.

- Standard tariff
- Joint collection units
- Composting at home
